

How you can help support our library...

Your support for the library will strengthen and expand our mission to serve everyone in our service area. Your support is needed for children's programs, for collections, and for special projects. Your support will demonstrate your appreciation for and understanding of the value in a civilized society of free access to information.

Ways to support the library:

- Give any amount as a one-time donation or donate yearly.
- Keep us in mind as a memorial contribution when you have lost a loved one.

The Library is a nonprofit and your donations are tax deductible.

If you wish to designate certain programs or items for your donations, speak with library staff.
